Amendments to the Specification

At the top of the first page, just under the title, insert the following paragraph:

--

Cross reference to Related Applications

This application is a divisional application of U.S. Serial No. 10/157,034, filed May 30, 2002, which is itself a continuation of International Application PCT/NL01/00436 filed June 7, 2001. Both prior applications are hereby incorporated in their entirety by reference.

--.

Please insert the following paragraph on page 5, line 5:

--

Brief Description of the Drawings

Figure 1 is a chart showing an example of a stress-strain curve measured using a ultra-micro hardness tester.

Figure 2 is a perspective view showing photofabricated products in Fabrication Examples 1 and 2.

Figures 3(1) and 3(2) are, respectively, a plane view and a cross-section showing the configuration and dimensions of a three-dimensional object for evaluating interlayer adhesion and fabrication accuracy. A and B in Figure 3(1) represent overhanging parts.
